to primer.

Get Your Job Done Faster

with Scotch-Brite™ Hand Pads 7447 PRO and 7448 PRO

Improve Productivity — Save Time and Money

High performance pad takes less time to prep surface and lasts longer.

Fast, More Consistent Scratch

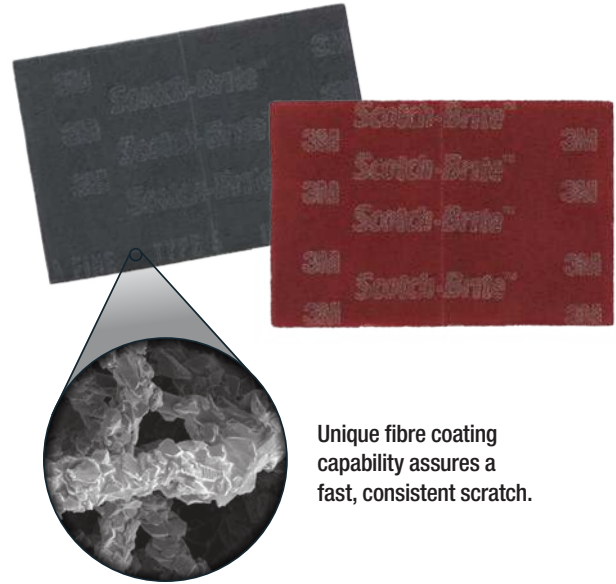

Tightly graded abrasive particles for consistent, uniform scratch throughout life of the hand pad.

Tough, Yet Flexible

New, long lasting pad made with durable non-woven nylon web is flexible enough to get into hard-to-sand places. Specially coated to minimize loading.

Convenience and Versatility

Ideal for everyday uses like prepping surfaces for color coat; general scuffing, cleaning and hand blending. Center perforated for convenience and available in two grades.

Unique fibre coating capability assures a fast, consistent scratch.
